

# Brenham National Bank

E-Delivery Statement  
Guidebook

**To log on to Internet  
Banking go to the Brenham  
National Bank Website:**

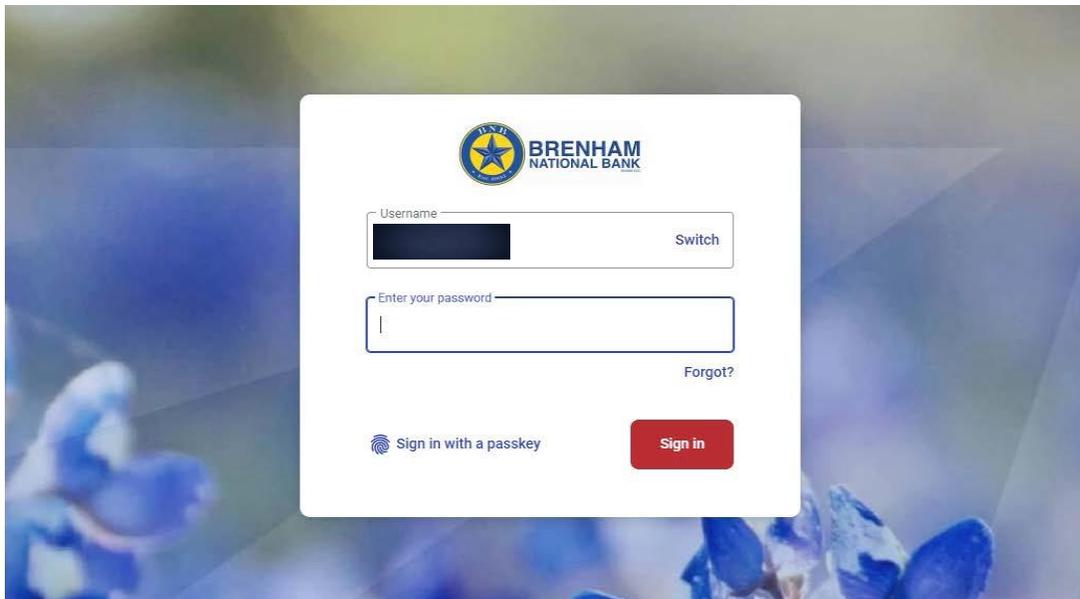

**[www.bnbank.bank](http://www.bnbank.bank)**

[WWW.BNBANK.BANK](http://WWW.BNBANK.BANK)

(979) 836-4571

For eligible users enrolled in E-Delivery, receiving statements online is a fast and convenient process. If you are not enrolled in E-delivery and would like to, please call (979) 836-4571.

## Logging into Internet Banking

The screenshot shows the Brenham National Bank login interface. At the top is the bank's logo. Below it is a 'Username' input field with a 'Switch' button to its right. Underneath is a 'Enter your password' input field with a 'Forgot?' link to its right. At the bottom left is a 'Sign in with a passkey' option, and at the bottom right is a red 'Sign in' button.

This is the Total Access Login section of the Website

Go to [www.bnbank.bank](http://www.bnbank.bank).

Enter your Total Access ID and Password in the appropriate blanks.

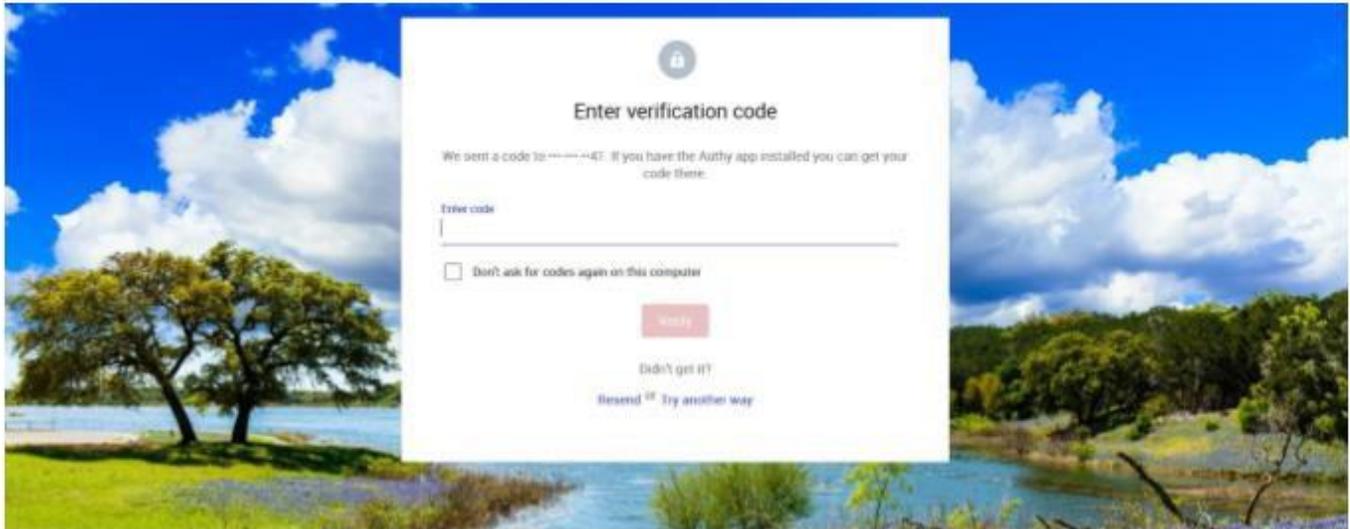

Your Total Access ID and temporary Password are provided to you when you enroll.

If this is your first time logging into Total Access Banking, the system will prompt you to change your Password.

**Account Locked:**

If you try to log in 3 times with an incorrect ID or Password, the system will automatically lock you out. Once you are locked out, you will not be able to log in.

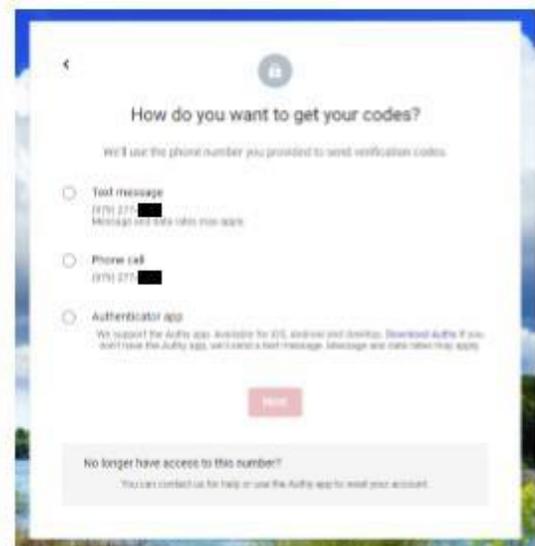

## Logging into Internet Banking (continued)

The security of your personal and financial information has always been our top priority. A second level of security has been added to the Total Access login.

Upon your first time logging into the system, you will have three options to receive an authentication code. These include a text message, phone call, or authenticator app (we support the Authy app). Once you enter in the code your accounts will then appear.

**Note:** There will be a check box shown below the blank for the code that you can decide to mark if you do not want to enter a verification code every login. Be sure to click this box.

Don't ask for codes again on this computer

After logging in, you will want to select your account from the dashboard.

The screenshot shows the Brenham National Bank dashboard. On the left is a navigation menu with items: Dashboard, Messages, Accounts, Transfers, Remote deposits, Cash manager, and Support. A red arrow points from the text box above to the 'Accounts' menu item. The main dashboard area is titled 'Hi there!' and features a 'Accounts' section with three cards: 'Interest Checks x0401' (\$0.00 Available), 'Sweet O Donut x9901' (\$2.00 Available), and 'Test Account x0201'. Below this are 'Transfer', 'Message', and 'Documents' buttons. The 'Transactions' section lists several items: 'ANALYSIS SERVICE CHARGE' (\$331.20), 'CHECK 44400' (\$4.54), 'CHECK 44450' (\$2.26), 'CHECK 44475' (\$0.05), and 'CHECK' (\$17,000.00). To the right, there are 'Call', 'Message', and 'Info' buttons, an 'eStatements' section with a 'Get started' button, and a 'Messages' section with a security warning.
