For eligible users enrolled in E-Delivery, receiving statements online is a fast and convenient process. If you are not enrolled in E-delivery and would like to, please call (979) 836-4571.

Logging into Internet Banking

This is the Total Access Login section of the Website

Go to www.bnbank.bank.

Enter your Total Access ID and Password in the appropriate blanks.

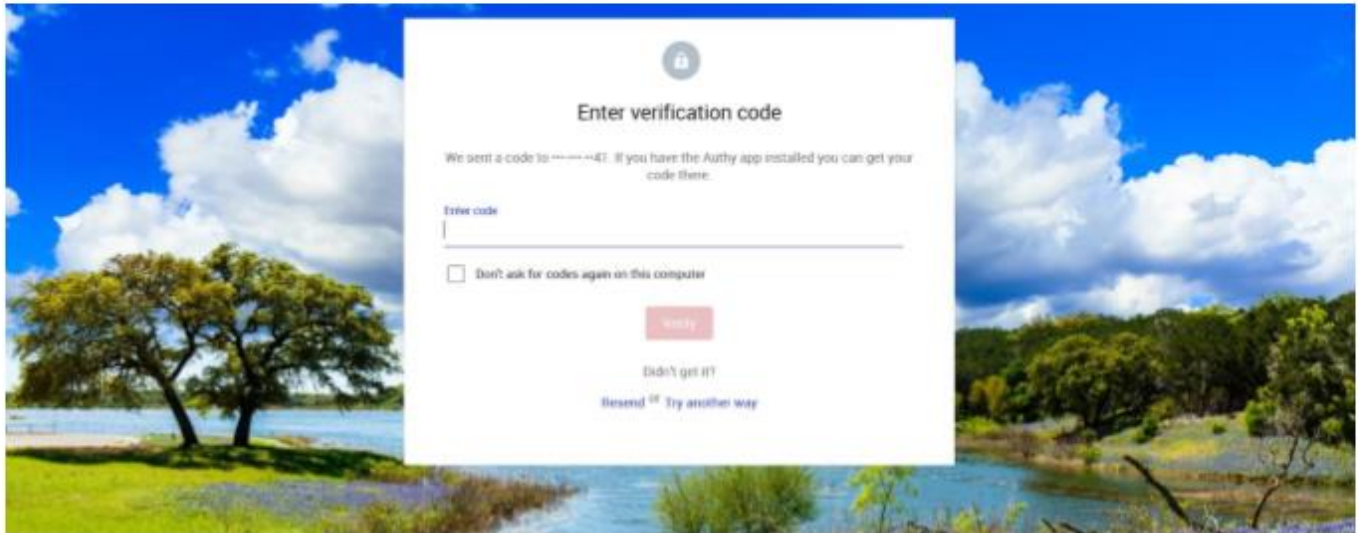

Your Total Access ID and temporary Password are provided to you when you enroll.

If this is your first time logging into Total Access Banking, the system will prompt you to change your Password.

Account Locked:

If you try to log in 3 times with an incorrect ID or Password, the system will automatically lock you out. Once you are locked out, you will not be able to log in.

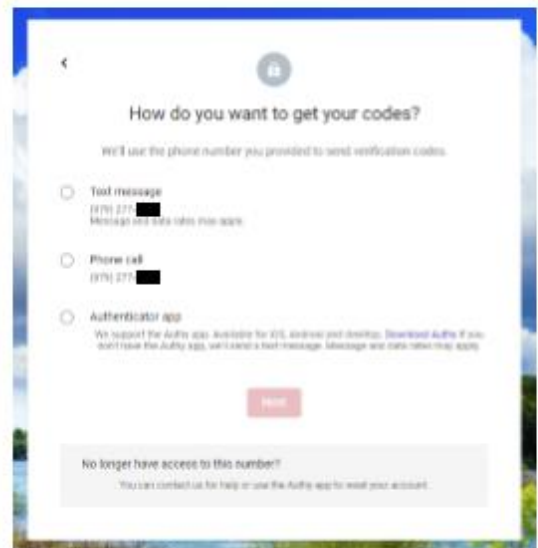

Logging into Internet Banking (continued)

The security of your personal and financial information has always been our top priority. A second level of security has been added to the Total Access login.

Upon your first time logging into the system, you will have three options to receive an authentication code. These include a text message, phone call, or authenticator app (we support the Authy app). Once you enter in the code your accounts will then appear.

Note: There will be a check box shown below the blank for the code that you can decide to mark if you do not want to enter a verification code every login. Be sure to click this box.

Don't ask for codes again on this computer

After logging in, you will want to select your account from the dashboard.

The dashboard features a blue header with the Brenham National Bank logo and navigation links for 'Dashboard', 'Accounts', and 'Move money'. On the right, there are icons for email and user profile. The main content is divided into several sections:

- Accounts:** A list of accounts with a red box highlighting the 'Checking' account, which has a balance of \$1.42 Available. Below it is a 'Savings' account with a balance of \$0.02 Available. A 'View all' button is at the bottom right.
- Move money:** Three buttons: 'Make a transfer', 'Pay a bill', and 'Pay a person'.
- Messages:** A message titled 'New Online Banking - For Browser - Need Assistance navigating the ...' dated May 20. A 'View all' button is at the bottom right.
- Activity:** A list of transactions with dates and amounts:
